Dear Geoff

Thank you for supplying your email address thus allowing me to communicate with you directly. I feel sure that I speak for all the members of Throckley Residents Action Group when I say we would be delighted to meet you to discuss our issues.

Our next meeting is Tuesday 29th April, commencing 6 pm at my home, Vallum House, Hexham Road, NE15 9DX and you are most welcome to join us.

Please be assured that the members of TRAG are highly responsible individuals who take a very professional attitude and view of proceedings. We act purely on the views and concerns of local residents at all times. We have not been obstructive towards the proposed development in fact, as we have stated on many occasions, Throckley residents welcome development of the site. However, we merely wish to have some influence in the design of the development which will have a huge impact in and around our village.

Thank you

Regards,

Kathleen Devlin
