### Throckley Water Treatment Works Proposed Re-development

Throckley Residents Action Group is collecting the views of local residents regarding the proposed redevelopment of Throckley Water Treatment Works. Please find below some of the concerns which have been brought to the attention of the Action Group by local residents through meetings and informal discussion with TRAG members.

If you agree with any of the comments listed below would you please tick the appropriate box.

- The height of the proposed flats is unacceptable
- There are strong concerns about privacy in nearby houses
- The development is not in keeping with the neighbourhood
- Vehicle access to the site will be a problem
- The ugly brick buttress and culvert will remain

**WE ARE ALSO VERY INTERESTED TO HEAR AND TAKE FORWARD ANY FURTHER CONCERNS YOU MAY HAVE, THEREFORE:-**
