Adam,

Given the significant level of local opposition to our proposed site in Throckley. My client has advised that they would like to withdraw the planning application for our proposed 25m tower at Quicksilver the Mover. O2 are currently assessing the situation and are currently looking at alternative options, once we have any further information relating to alternative site locations, I will let you know.

I would therefore be grateful if you could withdraw the application and advise once this is done.

Regards
